

PAYOUTS

SVX FUNDED rewards traders who successfully complete the challenge and follow all trading rules with real payouts based on their simulated performance. This policy outlines the conditions, structure, and timeline for all withdrawals.

1. ELIGIBILITY FOR PAYOUTS

To request a payout from a funded account, you must:

- Be in a funded phase account (not under evaluation)
- Have completed at least 5 active trading days
- Stay within the 7% maximum drawdown
- Have respected all trading rules, including the percentage rule
- Reach a minimum payout threshold of 1% of the starting balance

2. PROFIT SPLIT STRUCTURE

Your share of profits increases progressively with each successful withdrawal:

Withdrawal #	Trader's Share
1st	60%
2nd	70%
3rd.	80%
4th	85%
5th+	90% (fixed)

The firm retains the remaining percentage as operational commission.

3. WITHDRAWAL TIMELINE

- First payout: Eligible 21 days after your first trade
- 2nd to 4th payouts: Available every 14 days
- From the 5th payout onward: Available every 5 days

4. MAXIMUM PAYOUT PER CYCLE

- The maximum amount you can withdraw per cycle is 7% of your account's initial balance.
- Example: On a \$100,000 funded account, the max payout per cycle is \$7,000.
- Any profit beyond this limit will not be paid or carried forward.

5. PROCESSING TIME

- Withdrawal requests are reviewed within 72 business hours
- Approved payments are sent via:
 - USDT (TRC20/BEP20)
 - Bank transfer
 - Other available options shown in your dashboard

6. REASONS FOR DENIAL OR DELAY

SVX FUNDED may reject or delay a payout if:

- You violate the rules (e.g., drawdown, stacking, or trade duration)
- Your trading activity raises concerns about fairness or system manipulation
- You attempt to use unauthorized strategies or software
- There is evidence of account sharing or third-party management

7. TRANSPARENCY AND VERIFICATION

Before each payout, SVX FUNDED conducts:

- Rule compliance checks
- Trade review audits
- Pattern consistency assessments

Any inconsistency may result in disqualification from payout eligibility.

8. FINAL NOTES

- SVX FUNDED reserves the right to update this policy at any time.
- All payments are made in accordance with local laws and compliance standards.
- Payouts are performance-based and subject to approval.
